the category. U. S. Marshal Miller seems to have been the author of the evilest of vile documents." Anthony brought suit against Miller for libel. The jury in the case brought in a verdict of \$1 against Miller. So it seems that Anthony after being charged with

Rey. A. J. Hartsock of this city received a letter from a friend in Huntingdon Pennsylvania, a town of about S, 000 inhabitants, on the Pa R. R., stating that the small pox was so bad that schools and churches were closed. Men were not permitted to loaf about stores or saloons. No parties were permitted to enter or leave the place—no trains stopped at the station. The home physicians at first pronounced the disease chicken and swine pox. The citizens not.

The Appeal Martins of the county.

We next visited the wheat fields, and tound them quite extensive, One place extends two miles long north and south near country. One place extends two miles long north and south near country in the next visited the wheat fields, and tound them quite extensive, One place extends two miles long north and south near country in the next visited the wheat fields, and tound them quite extensive, One place extends two miles long north and south in ear tends the holds of the house of the township, or the following two figures, at the house of the north when the holds are tends of the two miles long to the miles of the north chicken and swine pox. The citizens not being afraid of the disease, took no care to prevent the spread of it. Finally physicians were brought from the city and being afraid of the disease, took no care of the Farmers Elevator Association will be held at the Court House in the spread of it. Finally physicians were brought from the city and pronounced it small pox. The writer said, "oh, it is awful."
